6 Prayer Points to Awaken Business Leaders in your City

With the US and local economies continuing to “sputter”, perhaps it’s past time for united intercession on behalf of business and business leaders in our city and region. As it says in Jeremiah 29:7: “Also, seek the peace and prosperity of the city to which I have carried you into exile. Pray to the Lord for it, because if it prospers, you too will prosper.” God wants to prosper us and therefore prosper the city we live in.

Use the following six prayer points to pray for an awakening in the marketplace. Pray that business leaders would:

Understand the significance of God’s call on their lives through their businesses, churches, and communities.

Allow God to lead them through deep personal transformation to prepare them for the call on their lives.

Realize they are given earthly authority for spiritual reasons.

Recognize their need for a dedicated personal prayer life.

Become aware of their need for personal prayer partners as well as prayer partners for their business.

Ask God to raise up other prayer partners to pray for marketplace leaders and businesses in your city.
